Notes: Cultivator: A person is classified as cultivator if he or she is engaged in cultivation of land owned or held from government or held from private persons or institutions for payment in money, kind or share; Agricultural labourer: A person who works on another person's land for wages in money or kind or share is regarded as an agricultural labourer; Household industry worker: Household Industry is defined as an industry conducted by one or more members of the household at home or within the village in rural areas and only within the precincts of the house where the household lives in urban areas. The larger proportion of workers in the household industry consists of members of the household; Other worker: All workers, i.e. those who have been engaged in some economic activity during the last one year, but are not cultivators or agricultural labourers or in household industry, are other workers. The type of workers that come under this category include all government servants, municipal employees, teachers, factory workers, plantation workers, those engaged in trade, commerce, business, transport banking, mining, construction, political or social work, priests, entertainment artists, etc.
