In this connection, we clarify that as of now no selection/ recruitment exercise is going on. We had undertaken a recruitment exercise in year 2009 and the final list of successful candidates is already uploaded on our Web site (www.nabard.org).

We, therefore, advise that in case any communication regarding interview and/or recruitment, etc. in NABARD is received by you, the same may be ignored. NABARD will not be responsible for pecuniary or any other loss caused due to such fraudulent communication to anyone.
