*Describe how activities in the proposal are consistent with national regulatory and legal framework, if applicable.*

*Describe in what way the Accredited Entity(ies) is well placed to undertake the planned activities and what will be the implementation arrangements with the executing entity(ies) and implementing partners.*

*Please provide a brief overview of the key financial and operational risks and any mitigation measures identified at this stage.*

**B.3. Expected project results aligned with the GCF investment criteria (max. 3 pages)**
