

Projects under DPR mode

All the projects related to productivity improvement, aggregation, innovations and market connectivity, etc., are sanctioned under Detailed Project Report (DPR) mode. Under the Fund, projects are sanctioned to ICAR, Agricultural Universities, Krishi Vigyan Kendras, Financing Institutions, NGOs/ Voluntary agencies and other promotional and developmental agencies to promote and disseminate transfer of technology for skill development, sustainable livelihood promotion, productivity enhancement in agriculture and farm related activities and information dissemination and linkages with markets. These projects are sanctioned, normally for a period of 2 to 3 years.
