Small Finance Banks, State Cooperative Banks and State Cooperative
Agriculture and Rural Development Banks]**

Madam/ Dear Sir

Revised Mechanism for Monitoring of agriculture credit – ENSURE 2.0

As you are aware, NABARD has been collecting agriculture credit data for effective planning and monitoring of the flow of credit on behalf of Government of India. Banks have been uploading this information on Electronic Submission of Returns (ENSURE) portal of NABARD. Keeping in view the granular data requirements of the Ministry of Finance (MoF), development of Agri Stack by the Ministry of Agriculture and Farmers' Welfare (MoAFW) and the continued emphasis on data backed Annual Credit Plans (ACPs) and Potential Linked Plans (PLPs) by RBI, NABARD was required to revisit the Ground Level Credit (GLC) returns on ENSURE Platform. A brief presentation on the same was also shared during the recently held Meeting of Priority Sector Chiefs on 02 February 2024.

2. In this connection, we would like to inform you that the new platform for data submission is now ready for use. Currently following six returns are required to be submitted on the ENSURE 2.:

1. District/ Block wise Priority & Non-Priority Sector Credit Data- Disbursement
2. District/ Block wise Priority & Non-Priority Sector Credit Data- Outstanding
3. District/ Block wise data on KCC
4. District/ Block wise data on SHG
5. District/ Block wise data on JLG
6. District/ Block wise data on number of branches and ATMs

3. The format of *Priority & Non-Priority Sector Credit Data – Disbursement & Outstanding* is based on the Priority Sector Lending Return prescribed by RBI. The formats for the remaining four returns have been taken from the Revised mechanism of Data Flow (Standardized System), based on which Banks submit data to respective SLBCs/ UTLBCs.
