Net NPA criteria for RRBs in the North Eastern Region, Jammu & Kashmir, Sikkim, Himachal Pradesh, Uttarakhand and Andaman & Nicobar Islands has been relaxed to upto 15% of net loans and advances outstanding.

4.4 The RLP for the year 2020-21 may be arrived at on the basis of average growth rate in crop loans disbursed during previous three years (taking into account the crop loans disbursed data for last four years). However, keeping in view the ground level realities and other facts, if any, NABARD may accept RLP which may be lower or higher than the RLP worked out by the RRB.

4.5 The RRB may be allowed drawals upto 50% (net of the amount drawn under STRRB fund) of GLC or as the case may be under this line of credit.

4.6 The limit will be available only for crop loans issued upto ₹3 lakh at farmer level.

4.7 The refinance under this line of credit will be reckoned as owned funds of the bank which is eligible for Interest subvention as per extant Interest Subvention Scheme guidelines of GoI.

5. Merger of RRBs

In case of merged Banks, the financial position of the new / merged RRBs as on the date of notification / merger based on special audit or the aggregate audit position as on 31.03.2019 of the erstwhile RRBs will form the basis for sanction of limit to such new RRB for the year 2020-21. Further, if the statutory audit position as on 31.03.2020 is available, the same will be considered for sanction of credit limit to the banks.

6. Rate of interest on refinance

6.1 Interest Rate

The interest rates on refinance will be as decided by NABARD from time to time. Interest is payable at half-yearly rests on 01 October and 01 April, as hitherto. In the event of bank repaying entire principal amount, the interest will be payable along with principal amount.

6.2 Penal interest in case of default

RRBs which fail to honour their commitments to NABARD in repayment of principal, payment of interest and / or other dues by the prescribed due dates, will not be eligible for any type of refinance facility from NABARD. Resumption of refinance may be considered, only after the bank clears the default. In the event of default, penal interest rate of 2% p.a over and above the interest rate at which refinance was disbursed, will be charged on the defaulted amount and for the period for which the default persists. The penal interest rates are subject to revision from time to time.

7. Notice for repayment

The amount drawn against the limit are repayable on demand. However, each drawal on the credit limit would be treated as a separate loan and would normally be repayable in a period of 12 months from the date of drawal. Repayments (partial or full) before the expiry of 12 months may be accepted by NABARD with minimum notice of 15 working days or with interest payment of 15 days along with the principal. The notice period may, however, be waived in case the repayment is made 30 days after the date of drawal.
8. Operational discipline

8.1 Drawal of refinance by RRBs under Additional ST (SAO) limit will be restricted to applicable percentage of refinance of the loan issued during the year 2020-21.

8.2 Excess Drawal

NABARD will take a serious view in case of availment of drawals beyond permissible quantum of refinance on account of reporting of incorrect data about crop loan disbursement or of NODC. In such cases, NABARD may call back the excess refinance availed by bank within 3 days along with the penal interest of 1% p.a.

8.3 NODC

Drawals by RRBs on the credit limits will be permitted subject to the availability of aggregate NODC (including that for normal limit). For this purpose, RRBs are required to furnish to the concerned RO of NABARD, monthly NODC statement so as to reach latest by 20th of the succeeding month, physically or through digital platform.

At the time of each drawal, a certificate in the prescribed format, regarding the availability of aggregate NODC, as on the date of drawal will have to be furnished by the bank. Moreover, it may be ensured by the bank that on any day, total of normal ST (SAO) outstanding and the Additional ST (SAO) outstanding should not exceed the aggregate NODC available on that date.

8.4 Penal interest on NODC deficit

RRBs should clear the deficit in NODC, if any, immediately, so as to ensure availability of adequate non-overdue cover for borrowings from NABARD. In case the RRB fails to make good the deficit within one month from the date of occurrence of such deficit, additional interest @ 1% p.a. will be charged on the deficit in NODC for the duration of deficit i.e. till the date on which the amount of deficit is regularized.

8.5 Segregation of principal and interest in the loans outstanding

RRBs may exclude the interest component (overdue / non-overdue interest) from the outstanding amount and report the principal loan amount only, both in their applications for credit limit and drawal application, for arriving at the eligibility for refinance support from NABARD. Besides, only the principal portion of loans (issued, recovered, outstanding and overdues) should be reported in the monthly NODC statements.

9. Clearance of default

RRBs which fail to honour their commitments to NABARD in repayment of principal, payment of interest and / or any other dues by the prescribed due dates, will not be eligible for any refinance facility from NABARD till the clearance of default in question.
